An active parishioner is defined as any household that is registered at a parish and lives the parish's life through attendance at Sunday Mass, regularly documented tithing, and active participation in the parish's ministries. To qualify for the Active Parishioner Rate, families must submit a completed Catholic Parish Verification Form for each student attending / or being admitted to the school by July 1, 2022. If it is not received by this date, then tuition will be processed at the Standard Rate. The discount is \$1,000 for established students and \$500 for new students.

TUITION GRANT PROGRAM

We recognize the need to keep Catholic education affordable for as many families as possible. A tuition grant program has been established and serves as the method for providing assistance to families. Tuition grants are based on need rather than academic excellence. Once accepted into the school, those interested in tuition grants should request tuition grant information from the school office. Tuition grants are limited to a portion of the total tuition. The tuition grant program does not cover registration fees. **Only students attending grades K-8th are eligible for tuition assistance.** To access the Tuition Grant Program please visit <https://online.factsmgt.com/SignIn.aspx?ReturnUrl=%2f>.
